

Irene Motta

President

**International Business Company Formation, Inc.
Tappan, NY**

Services provided by company: IBCF specializes in international corporate services. We routinely file documents, perform searches, form entities, register US business and act as registered agent (or the equivalent) all over the world!

How long I've been doing this job: 18 years

Professional/work background: I graduated from the University of South Florida with a BS in 1999. I started working for IBCF in 2000 as a corporate specialist. In 2004 I was promoted to office manager and in 2005 to Vice President.

The best part about my job is: That I enjoy coming in to work every day. I genuinely love what I do!! I work with a great team and that is a huge part of it as well. My job is challenging, fulfilling and I could not dream of a better career choice for myself.

The most challenging thing about my job is: Keeping up with all of the changes. I have been in this industry for just over 18 years and I have seen many changes, both internationally and domestically. It is quite a task to try and stay up-to-date with every jurisdiction which we provide services in. However, I am always up for the challenge!!

I am most proud of: My 2 children. Abigail is 12 and Nico is 9. I am constantly amazed by their kindness, generosity and innocence. They make me proud every single day.

I have never: Been to Asia and it's the next item on my "bucket list"!!

I admire: Derek Jeter, he's just awesome!!

My advice to others is: Be nice to each other. Life is too short to "sweat the small stuff." I try to live by this advice and while it is not always easy, you definitely do catch more flies with honey than with vinegar!!

I am a member of the NPRRA because I see the value which being a member of this association provides. We work in such a niche industry and it's great that we can all collaborate and improve our businesses at the same time.

My advice to new members is: Attend the annual conference!!! It is wonderful to meet everyone and the networking opportunities are amazing!!!

My favorite...

Place to visit: Hawaii! I was only there once, on my honeymoon, and it was simply amazing!! I dream about going back again soon. The air was sweet, the scenery was beautiful and I have never experienced another place in the world like it!

Quote: "Life isn't about waiting for the storm to pass; it's about learning to dance in the rain."
By Vivian Greene

Book: "The Partner" by John Grisham

Movie: Currently it would have to be "This is 40". My husband & I are there and this movie really hits home! We laughed the entire time!!

NPRRA conference location and/or memory: Park City, Utah. My absolute favorite activity was the zip line!!
