The best part about my job is It's never boring! From day to day I never know what is going to require my attention.

The most challenging thing about my job is Delegating. I want to do (and control) it all!

I am most proud of My family.

I have never missed voting in an election.

I admire Volunteers. People who provide service, aid or leadership to others purely for the sake of the action.

My advice to others is Eat it. One bite won't kill you.

I am a member of the NPRRA because We are in a small industry and there is strength in numbers.

My advice to new members is Get involved. It's the best way to get to know the other members.
